BioSafe Formula products are Concentrated,
Bio-degradable and provide powerful cleaning performance.

DUZ- ALL ADVANCED CONCENTRATED MULTIPURPOSE CLEANER BIOSAFE FORMULA

Powerful, safe and gentle liquid organic cleaner with coconut oil derivatives. BioSafe Formula offers powerful action with natural and biodegradable cleaning agents. Effectively cleans floors, sinks, worktops, moulded plastic furniture, appliances, painted washable walls, washable fabric, laundry, utensils, finished wood work, etc. Removes common household stains like ink, chocolate, lipstick, shoe polish, grease.

- USE BOTTLE WITH MAGENTA LABEL FOR DUZ-ALL ADVANCED

SPARKLE ADVANCED CONCENTRATED GLASS CLEANER WITH ANTIFOG EFFECT BIOSAFE FORMULA

BioSafe formula with its natural and bio-degradable cleaning agents provides a powerful cleaning action. Contains natural ingredients derived from coconut oil. Effectively cleans glass, mirrors, windshields, T.V & computer screens, chrome, stainless steel, porcelain, ceramic tiles. Antifog formula prevents fogging on the glass.

- USE BOTTLE WITH DARK BLUE LABEL FOR SPARKLE ADVANCED

ONE DER DROP ADVANCED CONCENTRATED DISHWASHING LIQUID BIOSAFE FORMULA

The powerful cleaning action effectively cuts through and dissolves the most stubborn grease. BioSafe formula with natural and biodegradable cleaning agents derived from coconut oil leaves dishes sparkling clean. It can be used on stainless steel, aluminium, copper, brass, silverware, non-stick cookware, melmoware, crystal glass, bone china crockery and cutlery. Safe on hands.

- USE BOTTLE WITH GREEN LABEL FOR ONE DER DROP ADVANCED

BEYOND BLUE POWERFUL LIQUID TOILET CLEANER 90 SECONDS COLOUR CHANGING FORMULA

Cleans and disinfects in 90 seconds. Kills germs and bacteria leaving the toilet germ-free and hygienic. The colour changing formula (liquid turns green to blue) dissolves stubborn stains, toughest of dirt, uric acid, faeces and lime scales. Suitable for both Indian and Western style toilets.

- USE BOTTLE WITH LIGHT BLUE LABEL FOR BEYOND BLUE

SPIC N SPAN SCALE AND BATHROOM CLEANER

Instantly removes lime scale and stubborn dirt deposits from chrome fitting taps, shower, ceramic tiles, wash basin, bath tubs, plastic mugs, buckets etc. Caused by hard water and soap scum. Contains no harmful abrasives and leaves the surfaces sparkling clean.

CAUTION:

Do not use on marble, mosaic, granite, natural stone or brass.

- USE BOTTLE WITH DEEP PINK LABEL FOR SPIC N SPAN

Doing your laundry now becomes easy with our world class range of Washmate products. With stain busters, optical brighteners & enzymes, they clear out the toughest of stains, ensure a sparkling clean wash and make laundry duties an easy chore.

WASHMATE MATIC

CONCENTRATED DETERGENT POWDER
WITH STAIN BUSTERS AND OPTICAL BRIGHTENERS

Highly concentrated formula requires just 15g to 30g of detergent for washing. Powerful enzyme system with an active oxygen attack to remove toughest of stains (mud, coffee, tea, curry, ink, cooking oil, butter, milk, shoe polish, blood, ketchup, chocolate) easily and effectively. Contains optical brightener. Ideal for all type of washing machines (Top & Front Load)

- USE THE 2 BIG JARS(1&2) WITH DEEP BLUE LABELS FOR WASHMATE MATIC DETERGENT POWDER

WASHMATE PRE-WASH

DIRT AND STAIN REMOVER

A unique blend of five different stain removing agents which includes enzymes to gently loosen collar and cuff soil, dirt, grime etc. Effectively works on tough stains like cooking oil, butter, grease, motor oil, blood, grass, proteins, tea, coffee, ketchup, curry, ink, lipstick, make-up etc.

CAUTION:

Use on dry clothes before soaking them in water. Not to be used on woolen or silks. Certain curry stains, very old & tough stains may require more than one treatment.

- USE CONTAINER(3) WITH LIGHT BLUE LABEL FOR WASHMATE PRE-WASH
