

# **Welcome to the world of MODICARE.**

We sincerely believe that **MODICARE** offers you the business opportunity of a life time . How you take advantage of this opportunity will depend on how willing you are to get totally involved.

## **Congratulation**

By choosing **MODICARE** business opportunity either as a supplemental business or for a new career, you have proved yourself that you are really serious for a glorious future.

The purpose of this training module is to get you started in the easiest and the most effective manner possible. We will guide you in a step by step process so that you will avoid some of the common pitfalls and discover something that will accelerate your journey to success in your Direct Selling Business. If you follow the step by step process given in this entire module, you will get most out of the resources and achieve the maximum result.

This training ideally should be done with your Sponsor or Up-line. So that your sponsor understand what you hope to achieve in your business and he will provide you the chance to develop a close working relationship.

**“ Do not use the hardships of your past as excuses to deny the possibilities of your future.”**
