## Delicious Sooji ka Halwa recipe made with Soul Flavours Cow Ghee

Halwa is an Indian dessert that can uplift your mood at anytime of the day. It can be made with lentils, vegetables, sooji or rice. Here is a delectable recipe of 'Sooji Ka Halwa' that you can try making with Soul Flavour Cow ghee. We know it will taste amazing, don't forget to try it out.

### WHAT YOU'LL NEED

- 1 1/2 cups sooji (semolina)
- 1/2 cup ghee
- 3/4 cup mixture of cashews (coarsely chopped) & whole raisins
- 3 cups hot water
- 1/2 cup whole milk
- 1/2 cup sugar
- 5 pods green cardamom split open
- Coarsely chopped dried fruits or nuts for garnish

### HOW TO MAKE IT

1. Heat a deep pan over medium heat and when it is hot, add the ghee. When the ghee melts, add the sooji and stir to mix well.
2. Roast the sooji (stirring frequently) until it begins to turn a very light golden color and gives off a faint aroma. This aroma is enough to make your mouth water.
3. Add the cashews and raisins to the sooji and mix well.
4. While you are roasting the sooji, in a separate pot over medium heat, bring the water, milk, sugar, and cardamom to a rolling boil.

5. This next step involves much bubbling and splashing so be prepared and careful! When the sooji is roasted, gently add the water-milk mixture, stirring all the while to prevent lumps from forming.
6. Cook the mixture until it is thick and begins to come away from the sides of the pan.
7. Turn off the heat and allow the mixture to cool to lukewarm. Serve in individual bowls, garnished with coarsely chopped dried fruit or nuts if desired.
